

Q3

The Mobile Terminal Built to Do It All

Built for mobile transactions with a compact frame, vibrant touchscreen, and secure wireless connectivity.

Pocket-sized with thermal printer & 5MP camera

Built-in biometric and barcode scanning support

Dual SIM or eSIM keeps you connected anywhere

Performance and Versatility in One Sleek Device

The WizarPOS Q3 combines the power of a full-featured terminal with the size and agility of a mobile device. With a 4" HD touchscreen, 58 mm printer, and 5MP camera, it supports secure payments via EMV, MSR, NFC, barcode, and optional fingerprint. Ideal for queue busting, field service, or fast-paced retail. Dual SIM or eSIM keeps you connected, and all-day battery life keeps you moving.
