

TURN EVERY TERMINAL INTO A 7-DAY CONTROL CENTER

Process, store, and manage transactions directly on the device—no back-office login required.

Powered by the **QuickSale HUB™** unified payments platform.

SECURELY
STORED ON
THE DEVICE

UP TO
7 DAYS OF
STORAGE

RETURNS
MADE EASY
AT THE COUNTER

MOST PAYMENT TERMINALS ARE BUILT FOR YESTERDAY

Transactions disappear after 24 hours

Returns require logging into a gateway or processor portal

Staff cannot resolve issues at the counter

Merchants depend on fragmented systems to complete simple tasks

THE QUICKSALE 7-DAY ADVANTAGE

QuickSale stores transactions securely on the payment terminal for up to 7 days—giving merchants full control at the point of sale.

NO SWITCHING
SYSTEMS

NO DELAYS

NO OPERATIONAL
BOTTLENECKS

SIDE-BY-SIDE COMPARISON

CAPABILITY	TYPICAL PAYMENT TERMINAL	QUICKSALE 7-DAY ADVANTAGE
 TRANSACTION STORAGE	~24 Hours	Up to 7 Days
 RETURNS PROCESSING	Back-Office Login Required	Processed Directly on Device
 STAFF EFFICIENCY	Limited	Full Counter Control
 SYSTEM DEPENDENCY	High	Reduced Reliance on External Systems

WHAT THIS MEANS FOR YOUR BUSINESS

FASTER RETURNS

Improve customer satisfaction instantly.

FEWER SUPPORT CALLS

Reduce operational overhead.

EMPOWERED STAFF

Resolve issues on the spot.

STREAMLINED OPERATIONS

Eliminate unnecessary system friction.

WHY IT MATTERS

Most providers rely on fragmented systems that limit what can be done at the terminal. QuickSale changes that by extending control directly to the device—where transactions actually happen.
